YEARBOOK DEDICATION

The TRAILRIDER staff is proud to dedicate the 1985 yearbook to the memory of HAROLD A. TOAZ, longtime Pittsburg County school administrator. Mr. Toaz retired as superintendent of Kiwa school in 1976. He served 18 years as secretary of the state Board of Health and was a member of various civic organizations. We also recognize that Healion Toaz, wife of Harold Toaz and long time teacher, should also share this honor with her husband. You won't be forgotten.

SUPERINTENDENT

My first thought in regard to the yearbook theme was "One step closer to what?" One step closer can be good or bad, depending on where you are going and what goals you have chosen to pursue. I'm sure one of your goals is to be a good student and graduate from high school. Some goals seem to be so far in the future that we are afraid we will not be able to make all of the steps necessary to complete the journey. Remember that a journey of a thousand miles begins with the first step. Select worthy goals and strive to be successful. You are an important part of God's creation and have probably only used a small part of your potential ability.

Don't be concerned about stumbling and falling or about what someone might say about you. Success might be just getting up one more time than you fall. What does the critic know? He is not making your journey and cannot walk in your shoes.

The attainment of a worthy goal which took much work and time brings a good feeling of accomplishment. I wish for you the very best as you strive to attain your goals.

IN MEMORY OF

On July 11, 1984 Dorothy Danae LaFeyers Powell and 6 month old Taylor Duane Powell were killed in an automobile accident near Parcell. Dorothy is dearly missed by her classmates and friends. She would have graduated with the Seniors of 1985.

We have added this page to our yearbook in honor of her memory.

I would like to thank my sponsor Mrs. Anita Graham. She has seen me through some hard days and helped me to make it. Also, the yearbook staff who has helped me turn into a successful ending and the school for its patience and cooperation deserve the credit.

You have all taken a part in my life and I will remember. Senior year I will always remember you.

Sincerely,
Detoria Graham,
